ADDITIONAL

I define myself by the work I want to do. Skills can be taught; personality is inherent. Learning is one of the strengths which I prefer to continue throughout and keep challenging myself.

Being young, I am fueled by high energy levels and boundless enthusiasm. I'm easily inspired and willing to follow my fascinations wherever they take me. I'm an expressive, passionate person with a natural ability to inspire and motivate.

I am currently working with TCS as a UI developer.
